

### CPCWDC - Silver Lake Detailed Project Schedule: June 2021 to June 2022

Task	2021												2022															
	June		July		August		September		October		November		December		January		February		March		April		May		June			
	Late	Early	Late	Early	Late	Early	Late	Early	Late	Early	Late	Early	Late	Early	Late	Early	Late	Early	Late	Early	Late	Early	Late	Early	Late	Early	Late	
<b>1 Administration and Reporting</b>																												
Project Kick-off	Completed Event																											
Project Detail	Planned Deliverable																											
Status Updates/Meetings			Planned Event		Planned Event																							
Timing of additional meetings TBD																												
<b>2. SAP and QAPP</b>																												
Draft SAP			Planned Deliverable																									
Revised SAP				Planned Deliverable																								
Final SAP					Planned Deliverable																							
Draft QAPP						Planned Deliverable																						
Revised QAPP							Planned Deliverable																					
Final QAPP																												
Depends on EPA review time																												
<b>3. Public Input Plan</b>																												
Draft PIP			Planned Deliverable																									
Final PIP				Planned Deliverable																								
SAP Review Meeting					Planned Event																							
Draft Launch Informational Leaflet								Planned Deliverable																				
Final Launch Informational Leaflet									Planned Deliverable																			
Public Listening Session																									Planned Event			
Draft Project Informational Leaflet																									Planned Deliverable			
Final Project Informational Leaflet																										Planned Deliverable		
<b>4. SAP Implementation</b>																												
Bathymetric, Aquatic Plant, and Benthic Surveys					Planned Event																							
In-Lake Water Column & Quality Sampling						Planned Event		Planned Event		Planned Event		Planned Event						Planned Event		Planned Event								
In-Lake Bacteria Testing (added to Task 4)						Planned Event		Planned Event		Planned Event																		
In-Lake Cyanotoxin Testing (added to Task 4)						Planned Event		Planned Event		Planned Event																		
Upstream and Downstream Monitoring						Planned Event		Planned Event		Planned Event		Planned Event		Planned Event		Planned Event		Planned Event		Planned Event								
Groundwater Assessment																												
Draft Technical Memorandum																										Planned Deliverable		
Revised Final Technical Memorandum																										Planned Deliverable		
<b>5. Internal P-Loading Analysis and Water Quality Modeling</b>																												
Sediment Coring and Phosphorus Fractionation																												
Water Quality Model																										Planned Deliverable
